## I see a future rift between Akufo-Addo and Bawumia - Blakk Rasta

April 27, 2017

Reggae musician and radio presenter, Blakk Rasta says he has a strong feel the future between Ghana's current President Akufo-Addo and his vice, Dr Mahamudu Bawumia will be sour. According to the "Barack Obama" hitmaker there is going to be a big division between the two.

"I know that there is going to be a problem between the president and the vice President. There is going to be a very big division between the president and the vice president and it's going to happen .

"The vice president is going to be accused of doing other things aside his thing. I saw it while I was in the United States and I saw it again when I came to Ghana. There will be serious issues between Nana Akufo-Addo and Bawumia. I just pray and hope that they sit down and think about what effect it is going to have on the country," he revealed in an interview on Starr FM.

Blakk Rasta also opined that a big 'disaster' will hit Ghana's parliament this year.

"We are also going to have a big shock in Parliament this year if we don't pray. A parliamentarian may lose his life. My life has become more spiritual, there are so many prophesies I could have given you, let's hold it down but finally there is going to be terrible flood in Venezuela this year. If the God that I serve is a lying God then call me a liar."
